Drug abuse Rehabilitation Facilities in the Metropolitan Cities

@ 1360. SHRIMATI SUDHA VIJAY JOSHI; Will the Minister of WELFARE be pleased to state:

(a) whether any study has been undertaken in the four metropolitan and other big cities in the country about the prevalence of drug abuse among the youth;

(b) if so, what are the findings thereof; and

(c) what steps are being taken to contain the above drug abuse and to cure and rehabilitate those who are already affected by the menace?

THE MINISTER OF STATE OF THE MINISTRY OF WELFARE (DR. RAJENDRA KUMARI BAJPAI) : (a) and (b) No compre-hensive Study has been undertaken as such. However, a 'Multi-Centred Study on Drug Abuse Amongst Students' was commissioned in four metropolition cities and five other cities. According to the report received in regard to the study, the results show a slight decline in the prevalence rates among the students in general. However, government has reason to believe that drug abuse has affected all sections of youth other than students also.

(c) The Government have taken a number of measures to combat the problem of drug abuse. The Voluntary Organisations are being mobilized to take up activities for providing services and wherever necessary are feeing asusted financially by the Minstry of Welfare to undertake programmes of awareness building, pre-
